2010 JUNIOR TEAM TASKS (12-18 year olds)

We have developed many of the ideas used for Management Training and by the Armed Forces for younger participants. Team Tasks are designed to develop an individual's ability to work together as a group when faced with various scenarios often unrelated to normal everyday life.

Participants are divided into groups, and each group is briefed on the objectives of the particular task, the materials available, and the ground rules. During the plan forming stage we look for individual skills such as initiative, leadership, team building, creativity, communication, flexibility, decision making and time management. Events include Assault Course, Sheep Pen, Minefield, Pot on a Pole, Spidersweb, Canal Crossing and Ravine Crossing, Raising the Flag, Discs, 4/5 Person Skis, Fred's Cadillac and Blind Alley.

As well as being great fun, the competitive element and teamwork development will be of great benefit in the future. These sessions are ideally suited for Schools, Youth Clubs, Scout Groups and similar organisations.

BBQS & PICNICS - Recycling the Recyclable - Removing the Rest

As always, we are happy to offer our visitors the use of the undercover BBQ and Picnic Area on the day of their event. However, we cannot cope with the enormous amount of rubbish which gets left after the parties - on busy weekends we can have up to 20 black bags to deal with.

We have unlimited fresh water for drinking so please refrain from bringing bottled water - you will significantly reduce the need for recycling and help save the planet too!

We have bins on site to recycle glass, clean plastic bottles and aluminium cans. For everything else – **PLEASE TAKE IT HOME!!**

It is the responsibility of the parent/teacher to ensure that the picnic/barbecue area is cleared up after use.
