## 2012 ADULT 4x4 DRIVING EXPERIENCE

[Please see Early Learning Driving for children 11 years and up](#)

This course is designed for those who either already have a 4 x 4 and for those who are looking to buy one.

- **Do you know the limitations of your vehicle?**
- **Do you know what all the traction control/ suspension setting buttons actually do? If so, do you know when to use them and how much help they can give you to control the vehicle.**
- **Do you know the capabilities of your 4 x 4 – they are not infallible and can get stuck in difficult conditions nearly as easily as a normal car**
- **Do you feel safe driving in wet and snowy conditions especially when you have children with you?**

When 2 ½ tons of 4 x 4 takes off in the snow nothing much will stop it. Learn how not to get in such a position in the first place!

Why not come and find out what it can really do away from public view and enjoy driving off road in some stunning countryside?

Arena Pursuits has developed some great driving experiences for all those who want to learn more about their vehicles and what they can do safely.

Based on 250 acres in the High Weald Area of Outstanding Natural Beauty Arena has several miles of private off road tracks together with some exciting humps, hill descents, twist and turns.

Accompanied by an experienced Instructor you will gain a host of useful tips which will bring out the best of your driving skills and the vehicle's performance.

The course and tracks are non threatening and you will not need a power-wash at the end of the day. This should not be confused with a deep "mud plugging" session which only destroys your vehicle but the fragile environment as well.

Courses run from May through to the end of September. You are welcome to have a 1-2-1 with the Instructor or share the experience with friends.

All you need is a sense of fun and a roadworthy 4 x 4 vehicle. If you do not have your own vehicle we can let you drive one of our vehicles at an extra £25/hour.

**Note:** All experiences must be pre-booked. If we have to postpone the experience due to very inclement weather or other reasons outside our control we are happy to transfer the date to another mutually agreeable time or refund the cost in full.
