### **FAMILY CLAY PIGEON SHOOT – 3 Hours – Min. Age 14**

You saw Pete Wilson win a Gold at the 2012 Olympics for Clay Pigeon Shooting. It cannot be that difficult - or is it? Here is your chance to find out. It's a major step up from shooting dodgy air rifles at the fairground and makes for a challenging and hugely enjoyable family event.

Clay pigeon shooting is suitable for all ages (14 and up) as can be demonstrated by a recent event for a grandfather celebrating his 70th birthday along with family members from 3 different generations.

50 clay shoot inc. practice and competition and several different stands.

£90.00 per head based on a minimum of 8 participants

### **FAMILY CLAY PIGEON SHOOT & QUAD BIKING – 3 Hours Min. Age 14**

So you and your family are expert shots and can ride off road thanks to your X-Box or Wii? Here's the opportunity to get out of the house and try it for real!

A 30 clay shoot including practice and competition and several different stands and then ride the quad bikes in and around our parkland setting with practice sessions, followed by trekking over some of the 8 miles of roads and tracks on site.

£125.00 per head based on a minimum of 8 participants

### **FAMILY TEAM TASKS & ASSAULT COURSE**

We have taken many ideas used for Management Training and the Armed Forces and developed them to suit adults and younger participants. Participants are divided into groups, and each group is briefed on the objectives, the materials available, and the ground rules before rising to the challenges set.

As well as being great fun, the competitive element and teamwork development will be of great benefit in the future. Will youthful enthusiasm overcome the wisdom of age and experience?

Half Day – 3 Hours : £40.00 per head (Minimum £400)

Full Day – 7 Hours : £60.00 per head (Minimum £600)

### **FAMILY ORIENTEERING – 3 Hours**

Here is your chance to test your map reading skills and see if the old legs can keep up with the youngsters!

Using 1:25,000 scale maps, compasses are not required as field boundaries are shown in detail to aid navigation. Teams will be issued with a list of map references, each of which relates to a cryptic clue. The answer can only be found by visiting the actual spot. The most distant places will be worth more points, but they cannot all be visited in the time allowed.

£37.50 per head based on a minimum of 10 participants

## Clothing

All participants must wear sturdy footwear, warm, waterproof clothing, long trousers, long-sleeved tops and thin gloves. Bring a complete change of warm kit & footwear. **THIS IS ESSENTIAL THROUGHOUT THE YEAR.**

## Food and Drink

We have unlimited fresh water for drinking so please refrain from bringing bottled water - you will significantly reduce the need for recycling and help save the planet too! Free tea and coffee is available.

Participants can bring packed lunches, or use our barbecue facilities by prior arrangement. If you wish to picnic/barbeque please allow a maximum of 45 minutes at the end of your event for collection purposes. Please note that adults are responsible for their group during this time on site.

We do not charge for the use of the barbecue, but please note that you will need to bring your own food, charcoal and cooking utensils. It is the responsibility of the parent/teacher to ensure that the picnic/barbecue area is cleared up after use. Party Poppers are not encouraged!

Group Barbecues can be provided by Arena Pursuits at £15.00 per head. This must be requested at the time of booking the event. Minimum number required is 10.

**PLEASE NOTE:** We struggle to cope with the enormous amount of rubbish which gets left after the parties - on busy weekends we can have up to 20 black bags to deal with. We have bins on site to recycle glass, clean plastic bottles and aluminium cans.

**For everything else – PLEASE TAKE IT HOME!!**
